**Precious Woods** is an international company active in the sustainable management and use of tropical forests. The company's core activities include sustainable management of tropical forests, timber processing and the trading of FSC-certified timber products. The generation of emission rights and electricity from wood waste represent further integral elements of the company's business. Additional information about Precious Woods can be found at [www.preciouswoods.com](http://www.preciouswoods.com)

This document includes forward-looking statements that reflect the Company's intentions, beliefs or current expectations and projections about the Company's future results of operations, financial condition, liquidity, performance, prospects, strategies, opportunities and the industry in which it operates. Forward-looking statements involve all matters that are not historical fact. Such statements are made on the basis of assumptions and expectations which, although the Company believes them to be reasonable at this time, may prove to be erroneous.
